I am THE WORST SHOT in the unit.

Maybe I can carry a big bag of rocks instead. I can usually hit something with a rock.

I console myself with the thought that I have other strengths.

Paperwork! I give great paperwork.

.

Thank you

This is Patricia Andreoli, wife of Daphne Worth, who you all knew as Trollcatz. Daphne died

...And there goes the weekend

But hey, we got a day and a half of this one! And I got to sleep in for two whole mornings. Too bad

You can't be the worst shot.

I am.

I won't argue with you, because you are clearly suffering some kind of creepy dissociative episode and it didn't occur to me that I might have to recover your targets, make you sign them, and bring them back with me.

Instead I will say, Have you seen/heard the Bob Mould "Circle of Friends" live show DVD? OMG I WISH I'D BEEN LIVING HERE IN OCT. '05. Flashbacks to my barely-noticeable adolescent rebellion. I really want to see him play live someday.

Play it when all your neighbors are out. Or you could play it on your 'puter, but only if you've got cordless headphones.

Hah! THIS is what video iPods are for! I could put in the earbuds, hold the screen up to my nose, and jump up and down 'til I felt like I was there!

You're both improving, you know.

Someday, I'll even let you cover my back.

If Mom and Nikki are out sick, I mean, and Duke and the Cowboy are in the other room.

Hey. John Wayne, how did we wind up nicknaming two of our coworkers "Duke" and "The Cowboy?"

Conspiracy?

You're the one who tagged Duke. And The Cowboy is  [trollcatz](#)'s work, I think.

Interesting name magic, tho.

If your back needs covering, I'll bring you a coat. 8>P
